What Our Brides Are Saying

Jenny Nguyen

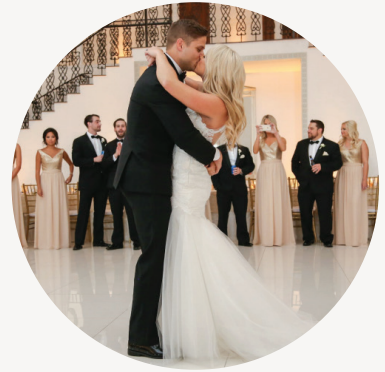

"We booked the Citadel for our wedding and could not have asked for a better place both in food and breath taking photos...The venue is beautiful and spacious.

The Citadel staff was a pleasure to work with and had suggestions every time I called in a panic and definitely kept me calm. They were extremely helpful, especially during the last week."

Amy Pendergast

"You guys made everything perfect! From beginning to end, you made us feel comfortable and confident. Working with you brought us the experience we were looking for and eased the stress level which comes with planning a wedding. The Citadel is breathtaking the moment you walk in, and I would highly recommend the Citadel. Thank you for making a lifetime of memories."

Ali Barnes

"We are more than satisfied with how our wedding went at the Citadel. The venue is absolutely breath taking and the details add such a WOW factor. The food was amazing and everything ran so smoothly the entire night! The Bridal suite is so lovely and my bridesmaids loved it! The staff was extremely friendly, helpful, and organized."
